RUGBY

Merensky High school decided in 2012 to withdraw from the PUK series as well as the Limpopo Rugby League. Merensky was not the only school who withdrew from former leagues as many prestigious city schools had already taken the step before Merensky High School.

REDES HOEKOM MERENSKY UIT DIE PUK-REEKS ONTTREK HET, WAS:

- Die lang afstande na verafgeleë skole wat hoë kostes vir die skool en ouers ingehou het.
- Die PUK-reeks het nie voorsiening vir seunshokkie gemaak nie.
- Die verlies aan akademiese tyd op Vrydae en gedurende die week as gevolg van busse wat vroeg moet vertrek.
- Ons was in 'n poel met geen variasie nie.
- Die konstante veiligheidsrisiko met busse laatnag op die paaie.

REASONS FOR THE WITHDRAWAL OF MERENSKY FROM THE LIMPOPO RUGBY LEAGUE:

- In 2012 MHS only had two league games in our pool, Louis Trichardt and Frans du Toit.
- Schools from the other pool were not interested in playing friendly games against MHS for fear of their team going through to the finals and a re-play had to take place.
- If a Merensky team was not a pool winner the season was over after two games.
- When we withdrew from the formal league all other Limpopo schools were keen on playing against us.
- This led to us being able to have many games and games that were fairly close to Tzaneen. Parents had the privilege to frequently see their children participating.

DEELNAME AAN DIE CLASSIC CLASHES TEEN BEN VORSTER IS GESTAAK:

- Classic Clashes se fokus was net op rugby. Slegs rugbydeelname is in 2013 gestaak.
- Alle ander sportsoorte het voortgegaan om ligawedstryde te speel.
- Merensky het onttrek, verantwoordelikheid daarvoor geneem, Ben Vorster en die media ingelig en PHS genader om ons plek in te neem in the Classic Clashes.
